## Pick!

Choose some great produce. Feel free to buy a variety of fruits and vegetables or many of just one type. Some tips here include:

- |   |   |  |
|---|---|--|
| 1. Get what most people know how to cook. Along the lines of carrots, broccoli, tomatoes, greens, and apples. | 2. Choose what's in season to help us buy more produce for our money. | 3. Keep it fresh. CCA will be giving this out throughout the week so make sure it won't spoil. |

## Pay!

Pay for the vegetables and then take a picture of it or write down the list of what you bought and submit it to [Mission@fpcnh.org](mailto:Mission@fpcnh.org) for reimbursement. Use the subject line "CCA Produce Pick Up"

## Deliver!

Drop-off the vegetables at CCA and say a prayer for our neighbors in need.

You can drop off the produce anytime Mon-Fri between 9:30 AM-3:30 PM. Remember that the earlier in the week the better so that our produce is distributed throughout the week.
