God of Story and Song, you speak to us in parables and melodies. Your truth is the Word and your truth is beyond words. O God, help us to listen with curiosity and discern with wisdom. God of Breath & Bread, you come to us in simple things. You invite us to see you in our neighbors and the details of our lives. O God, let worship be a witness to the ways that you reach us, claim us, challenge us, and change us. Amen. Come! Let us worship God!
